

## 2nd Annual Triangle Community Concert Band Festival

June 17th 2017

### Food Truck Layout

- The Road on the north side of the park needs to be clear for equipment movement
- Please make sure to stay far enough away from the Pavilion so as not to disturb the bands
- Think about your need of extension cords. Can we help?
- Please be prepared to serve by 3:30 as people will begin to arrive. And plan to stay as long as you like. Some of the folks, particularly the musicians may want to visit you after the concert
